

**Pet Sitters International  
Bonding & Liability  
Insurance Program**

**BINKS COMMERCIAL**

**Exclusive Insurance Broker for  
Canadian members of  
Pet Sitters International.**

Our Insurance provides:

- ★ Protection Against Liability Claims
- ★ Protection Against Dishonesty
- ★ Third-Party Bonding guarantees clients that their belongings are safe in our hands.
- ★ Covers All Canadian Members of Pet Sitters International
- ★ Covers my employees, sub-contractors or anyone else acting on my behalf

This policy covers all operations: standard policy coverages, plus two added coverage endorsements designed exclusively for PSI; coverage for property, including pets, in our care custody or control **and** lost key coverage.

*Standard Liability Policies or Business Owners Policies **do not** cover pet sitters for pets or property in their care, custody or control and do not cover for lost keys. Standard Liability policies **exclude** coverage for damage to property while in their care, custody or control. This means that any property including a pet that is physically within your care would be **excluded** from coverage under a normal policy should that property be damaged or destroyed, due to the pet sitter's negligence. This is a group program only available to PSI members through **Binks Insurance.***
