## PET PORTRAITS FROM PHOTOS

Hand rendered pet portraits make perfect gifts for your favorite pet owner – gifts that will last for generations to come!

Portraits are created using your photos of the pet as references, and can be rendered in a variety of mediums including pastel, graphite and charcoal. Portraits can be rendered in colour or black and white.

Portrait prices vary depending on the finished size, colour, and complexity of the subject, so please contact me to discuss your requirements. More samples are available upon request.

Thank you for taking the time to consider a hand rendered portrait, and I look forward to hearing from you. **EB**
